

ABOUT ONE POWER

1 MEET THE TEAM	2 CAPABILITIES	3 VISION AND THESIS
Allow us to introduce ourselves.	Find out what we can do – in more detail than you asked for. You did ask, right?	We think we can help invent the customer-centric power grid of the future.
4 BUILDING UTILITY 2.0	5 VALUES	6 SAFETY
Learn how One Power is building the next-generation utility.	Values should go beyond a banner in your entranceway. At One Power, our values are a way of life. See what we care about.	Being this safe is hard work. We’re sharing everything we’ve learned and developed because safety should not be proprietary.
7 INVESTING	8 OUR FLEET’S PERFORMANCE	9 CONTACT US
Big change requires big capital. Let’s talk.	Yes, really. We’re sharing our internal reports on how our projects actually perform compared to expectations. We dare others to do the same.	Find our contact information, driving directions, and what to expect when visiting us.
